Discover DUNDEE

open-top
 bus tour for
 a grandstand
 view of our
 bonnie wee city

hop-on hop-off

UP TO
 EVERY **30** MINS

Our lovely little city has so much to offer, with interesting sights and stories around every corner.

You'll get a grandstand view on this Discover Dundee open-top bus tour.

Join us at any of the stops shown in this leaflet and get off wherever takes your fancy, then rejoin later. Or just stay on and do a round trip in one go - discover Dundee at your own pace!

As well as showing you the regenerated riverfront with its world-class attractions, we'll head through the heart of the city with reminders at every turn of Dundee's long history and rich heritage.

The highlight has to be the climb up to Dundee Law where you can see the whole city spread out before you and enjoy faraway views across the River Tay into the ancient Kingdom of Fife.

welcome
 on board

daily 01 April - 03 September 2023

| | | | | |
|----|-------------------------|------|-------|------|
| 1 | Discovery Point | 0930 | 00 30 | 1700 |

WITH FULL COMMENTARY

V&A Dundee

In this iconic waterfront building, Scotland's first design museum, you can get immersed in architecture, fashion, furniture, engineering, video games and much more.

HMS Union

Launched in 1824 as a 46-gun frigate, this ship is a rare survivor from the days of sail, one of the six oldest ships in the world and Scotland's only representative of the sailing navy.

RRS Discovery

Learn the fascinating story of this ship from her beginnings in Dundee, her audacious Antarctic expedition with Captain Scott, and her voyages and uses thereafter.

City Centre

Admire ornate Victorian buildings Dundee's heart, which once housed iconic department stores such as Draffens, where the Queen Mother once shopped. On Union Street is the UNESCO City of Design hub, where you'll find lots of interesting information about artistic trails dotted around Dundee.

The McManus

This Gothic Revival building is Dundee's art gallery and museum, and tells our city's story through eight galleries. There are stunning paintings and artefacts from industries past and present.

DCA

Dundee's highly-regarded contemporary arts centre has an ever-changing and varied programme of thought-provoking exhibitions.

Verdant Works

Go back in time to discover the city's industrial textile heritage in this refurbished mill. Hear the tales of the mill workers, see how they lived and worked in an industry which transformed Dundee.

DC Thomson, with its towering headquarters here, publishes titles globally. As well as Dundee's twin newspapers, it's famous for beloved comic book characters like Dennis the Menace, Desperate Dan and Oor Wullie.

Spot the statues of some of them around town from the bus!

DAN DAWG DENNIS GNASHER & FRIENDS

GAME ON

Did you know some of the biggest titles in gaming originated here, including Lemmings and the Grand Theft Auto franchise?

It's said that in the 1760s a Spanish merchant ship took shelter in Dundee's port during a storm. A local entrepreneur bought their cargo of expiring oranges from Seville. His mother, Janet Keiller, boiled the bitter fruits into large batches of sweet, tasty marmalade. Janet didn't invent marmalade, but she did make it something more spreadable, ideal for toast.

SWEET BREAKFAST

5 Sa buses towards Botanic Garden change at stop 3

5 Sa buses towards Broughty Ferry & Museum of Transport change at stop 12

certain journeys take a trip over the Tay Road Bridge
